Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2020:

of sports.

- A number of sport's teams to be established resulting in children participating in intra and inter school competition across a variety
- Improved capacity of staff trained in Physical Education coaching and teaching, which resulted in improved confidence when teaching.
- New curriculum developed which will be started in September 2020 (with COVID amendments)
- Increased number of extra-curricular clubs across a range of different sport and age groups (presently suspended).
- Lunchtime equipment purchased to increase physical activity.
- Built new relationships/partnerships with other schools in Leeds and have become part of a Sports Network Group

Areas for further improvement and baseline evidence of need:

- COVID amendments to the curriculum have meant that we have needed to reduce hall time and PE is now happening outside. Due to this further activity needs to happen outside of the timetabled PE through planned active breaks and lunchtimes and physical challenges that enhance the curriculum.
- PE equipment also needs to be purchased to support the new curriculum.
- Set up and facilitate the 1k a day to where all classes in all year groups are partaking daily.
- Set up and up skill children to become PlayLeaders, who can run a variety of different skill based games at lunch/break times.
- Encourage active travel to and from school, set up in school competitions.
- Identify and increased provision for specific target groups i.e. girls football club
- Well-being/mental health through activity to keep connected and keep learning (Welly Walks)
- Set up staff teams/competition to improve staff health and wellbeing.
- Further develop outdoor and active learning through Forest Schools (including active maths, phonics, playtimes)
- To run a Sports Award Evening/assembly to celebrate sporting success that has happen at Victoria over the last year.
- To identify and facilitate G&T at Victoria Primary Academy.

 To get Leeds United Football Club into school to work with the children and staff at Victoria Primary Academy and the wider community. Set up links with local sports clubs (COVID dependent) to ensure children at Victoria Primary Academy continue sporting participation out of school. To organise and run sporting trips to celebrate success in physica education lessons. Incorporate sports and physical education across the curriculum. Establish and run a Sports Leader programme aimed to develop responsibility and improve self-confidence.

If any funding from the academic year 2019/20 has been carried over you MUST complete the following section. Any carried over funding MUST be spent by 31 March 2021.

Academic Year: September 2020 to March 2021	Total fund carried over: £	Date Updated:		
What Key indicator(s) are you going	g to focus on?		·	Total Carry Over Funding:
				£
Intent	Impleme	entation	Impact	
Your school focus should be clear how you want to impact on your pupils.	Make sure your actions to achieve are linked to your intentions:	Carry over funding allocated:	Evidence of impact: How can you measure the impact on your pupils; you may have focussed on the difference that PE, SS & PA have made to pupils re-engagement with school. What has changed?:	Sustainability and suggested next steps and how does this link with the key indicators on which you are focussing this academic year?:

Meeting national curriculum requirements for swimming and water safety.	Our Y6 children were supposed to be

Key indicator 2: The profile of PESSPA	A being raised across the school as a t	ool tor whole scl	hool improvement	Percentage of total allocation: 12%
Intent	Implementation		Impact	12/0
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:

At Victoria we want children to develop social skills and learn to take responsibility through developing a Play Leader Programme.

At Victoria we what to enable children from disadvantaged backgrounds to have access to sport outside of school.

At Victoria, we want to raise the profile of Physical Education and Sporting Activity in school and out of school, by embedded in physical activity into school life. Ensuring it is monitored and celebrated across all age groups. Making sure children at Victoria feel proud of their sporting achievements.

Create Play Leader applications for children to compete explaining why £1000.00 they would make a good Play Leader. Elect children to be Play leaders. These children to be trained£50.00 by the Sport's Coach to lead skill specific games at break and lunch time. Children to earn awards based Awards around the number of hours completed. Play Leaders to keep their own personal record of games Play Leader and activities ran and training received.

The school develops networks with different local sports clubs/community groups and effectively signpost children to areas of interest. Covid dependent invite local teams/groups to run taster sessions for children to promote Physical activity out of school.

Once clubs can restart again, identify FSM children and children from disadvantaged backgrounds and invite them to take part in select clubs. Physical Education lead to monitor participation across the school and fill any gaps in participation through invites to events/clubs.

Physical education to be celebrated through weekly Sporting certificates handed out for achievements in
