17<sup>th</sup> November 2023

## **Message from Mr Green**

This week's anti-bullying week got off to a great start with the assembly and odd socks day on Monday and has led to lots of discussion with the children throughout the week so that we are all focused on our mission to spread kindness in this world of ours. We've then had our Extreme Readers and Maths Maniacs visit Pizza Express and Maths City for their reward, and we've ended the week with a lovely non-uniform day to raise money for the Children in Need charity - the amount raised is currently £200 as I type. A huge thank you to everyone for raising this money for such a good cause!

By far our biggest event this week was our Parent Consultation meetings on Tuesday and Wednesday. I am delighted that we had a very high turnout for parent consults, with the vast majority of parents and carers in school to find out about their child's learning and progress. It is always brilliant to see the children attend with their most important person and enjoy listening to all of the great things their teacher has to say about them! Our children are making fantastic progress, and I am so grateful to you all for making the time to celebrate that with your child. Thanks also to those who visited this week's Book Fair in the hall and bought a book. I firmly believe that you can never have too many books, so I hope you will enjoy your new purchases!

Have a fantastic weekend and we'll see you all on Monday!

#### **Christmas Fair 2023**

6/12/23

Time 3.15pm Tombola Prizes

**School Hall** 

## **Donations**

If you have any new items that you no longer need or want, please bring them into school for our tombola stall. Bottles, chocolates, toys, or any unwanted gifts you may have will be much appreciated.

Every penny raised will go towards resources for our children, so thank you!

#### **Parent Questionnaire!**

Thank you to those of you who have managed to complete a questionnaire during parents' evening this week! If not, we would really appreciate your views. Just scan the QR code above, which will take you to the form!

#### **Extreme Readers - Autumn winners!**

Each half term, a child from each class wins the Extreme Readers Award and is treated to a three-course meal at Pizza Express. Children are chosen by their class teacher for going above and beyond in their reading – either at home or in class, or possibly both! Last half term's lucky winners jetted off for their meal on Wednesday and they had a wonderful time!
