## A MESSAGE FROM OUR EXECUTIVE PRINCIPAL

This week we invited our Governors into school for a tour of the school to see children enjoying their learning. Our prestigious School Council also spoke articulately to the Governor's about how safe they feel in school, about their learning and experiences in school. They shared what we need to do to make our school even better too. These messages will then filter into the Governing Body meeting next week which to form part of our school development. Well done to all the children involved.

*Mrs Jenkins*

## A MESSAGE FROM OUR VICE PRINCIPALS

Over the past two weeks, we have been receiving applications for students to join our amazing School Council and our Digital Ambassadors. With over 80 applications from all over school, these were popular roles indeed. On Monday, we announced the winners.

They were greeted with a huge round of applause during the assembly, which was fantastic to see. The school council is already in full swing and met with our governors today to talk about our school - it was great to hear the wonderful things they had to say.
