## WILD DAYS

Our 'Wild Days' have become an integral part of school life at Victoria Primary Academy. During our Wild Days, children develop their wild experiences 'beyond the four walls', developing a variety of skills such as forestry, language development, fine and gross motor skills, keeping safe and understanding the world around them. The cost for each session is £4, which covers the cost of Tom, our expert from Green Man Learning, facilitating this session. This can be paid through our Arbor App

## Medical

We appreciate your help in keeping our students safe and healthy. Please remember to notify the school of any changes to your child's care plan or medical needs. It is crucial for us to have the most current information on file in case of an emergency.

Additionally, we kindly ask that you regularly check the expiry dates on any medication you have provided to the school, with a special reminder to check inhalers. Ensuring all medication is up-to-date helps us provide the best possible care for your child.
